To: Gary Matthews

Subject: Nicaragua/Afghanistan

The attached Afghan puppet Government message of solidarity with the GRN provides an excellent opportunity for effective publicity. If you and Elliott agree, I will get it placed in the Congressional Record by some liberal Members, perhaps Cong. Jim Leach (R.-Iowa), with appropriate comment. I suggest I also draft a letter from Jim to the GRN Ambassador, asking whether Managua (including Father d'Escoto) supports the Soviet invasion of Afghanistan.
