Subject: Somoza and Koch

Another quickie on the fast moving Central American human rights scene. Somoza has asked Cong. Murphy (D.-N.Y.) to arrange a meeting for him with Cong. Koch (D.-N.Y.). Somoza and Murphy attended West Point together. Koch has agreed to see Somoza. They will meet at the Waldorf on May 29. Koch understands Somoza will take the line that there are no human rights violations in Nicaragua.
