

URGENT

January 29, 1985

To: Elliott Abrams

Subject: Kim Dae Jung Telephone Call

Kim Dae Jung called me at home this morning (8:10) to ask whether I thought the State Department had been disappointed by his Sunday letter regarding his decision to return home. I said I expected to be back in touch with him later today on that subject. Kim also said he wanted to give you a scroll of his calligraphy and requested that I pass it on to you following his departure. I promised to do so.
