Dear Mr. Kim Dae Jung:

I was moved and honored to receive your letter of November 2 and the scroll of your calligraphy which arrived the same day. I appreciate these gifts more than you realize and I shall keep them as proof of our friendship and our hopes for the future.

Thank you for your generosity and thoughtfulness. Please give my best regards to your wife, to your children, and to Keun Pal Lee. I hope you will let me know whenever you think I can be of help in the cause of human rights.

Sincerely,

A handwritten signature in cursive script that reads "George Lister".
