

Texas Law Judicial Clerks List

This list includes Texas Law alumni who reported their clerkships to the Judicial Clerkship Program – or whose names were published in the *Judicial Yellow Book* or *Martindale Hubbell* – and includes those who clerked during the recent past for judges who are currently active. There are some judges and courts for which few Texas Law alumni have clerked – in these cases we have listed alumni who clerked further back or who clerked for judges who are no longer active. Dates following a law clerk or judge’s name indicate year of graduation from the University of Texas School of Law. Retired or deceased judges, or those who has been appointed to another court, are listed at the end of each court section and denoted (*).

Those who wish to use the information on this list will need to independently verify the information being used.
