### iPhone & iPad Email and Wireless Set up

For iOS 7 and above

---

**Getting access to the Restricted Wireless Network.**

You will need to set a passcode for your new iOS device.

Go to **Settings**

Then go to **General > Passcode** Lock to set up your 4 digit passcode. You are required to create a passcode before setting your University mail on your iOS Mobile Device.

Next, you will need to connect to the UT Wireless network “restricted.utexas.edu” if you are on campus.

1. Launch the **Settings** app.
2. Tap **Wi-Fi**.
3. Tap the listing for **restricted.utexas.edu**.
4. When prompted, enter your **UT EID** (or Guest ID) and **password**; tap **Join**.
5. A certificate installation screen will appear; verify that the certificate is for **restricted.utexas.edu** and lists **Thawte Premium Server CA** as the issuer.
