Ms. Francis Farenthold
3303 Main St.
Houston , Texas 77002

Dear Ms. Farenthold,

It was a pleasure to speak with you the other day. We do hope that you will be able to join us on April 17th here in Austin for The March For Survival: Bread Not Bombs . I've enclosed some information on the March , if you need anything else just let us know. We are planning on having 12 speakers and are asking everyone to speak between 5 and 10 minutes . There will be a press conference at 11:30 that we would like you to participate in.

Concerning your air travel, there is a flight leaving Houston at 10:45am arriving Austin at 11:25am . I can book you on a Texas International flight into Love Field leaving Austin at 4:45pm arriving Dallas at 5:30pm . Please let me know if these times will be alright.

The March is shaping up to be an event that will involve a wide variety of people. We have received a number of endorsements. If you are a member of a group that you think would be interested in endorsing , please let us know. Also if you have people here in Austin that you could recommend for us to contact, we would greatly appreciate it.

The events of the world are daily reminding us the urgent need to mobilize large numbers of people if we are going to survive as a planet. Our vision of the March is a day when a large number of Texans can be presented some of these issues and empowered to change the course that is being charted by our government. We look forward to your participation in this event. If you have any questions, I can be reached here at the office 11-6 daily .

For A Nuclear Free World,

Dear Sissy,

This is to thank you for the rousing speech that you delivered at the March For Survival. We were very pleased at the number of people who turned out . Undoubtedly having your name on the poster helped tremendously ! If you pick up a copy of this week's Newsweek you can see a brief mention of the 5,000 who turned out in Austin . We feel very encouraged by the response of the local people . I am late in getting this thank-you off because of the number of activities that were held here during Ground Zero Week . The kind of "media blitz" that resulted this past week here in Austin on Nuclear War was truly impressive . Now if we can just focus the energy of all the new volunteers we'll have it made. I got a letter yesterday concerning your new group opposing Mr. Reagan . It sounds wonderful ! Only wish I could be in Houston on the 15th of June. We will be in New York with our Texas delegation at the U.N. Special Session activities . Good to know that you will be keeping the home fires burning ! Again thank you for coming to Austin and helping to make the March the success that it was . If you are ever in need of any films or video tapes please let us know , we own a number of different ones and would be glad to send them out to Houston. Take care and if we can be of any help,please call .

Houston, Texas 77002

Dear Ms. Farenthold:

I want to express my heartfelt thanks to you for lending your support to our Joint Resolution for a nuclear weapons freeze and reductions which over 100 co-sponsors, Senator Hatfield and I introduced today in both the Senate and the House of Representatives.

I believe that your endorsement will have a powerful impact not only on the prospects for the Kennedy-Hatfield Resolution, but on the future approach of the United States to the vital issues of arms control and disarmament. We would welcome anything you could do to increase public discussion of our resolution and the issues it raises in the important weeks and months ahead.

I look forward to continuing to work with you on this most vital of issues. With best personal regards,

Sincerely,

Edward M. Kennedy

DSA

Democratic Socialists of America

Others talk about alternatives.
We help make them.

*Left Unity--We just brought together the two largest democratic socialist groups in America creating an organization 6000 strong.
*Workplace Organizing--Whether it's pushing United Steelworker leadership to support anti-plant closing legislation, or organizing UAW members for peace conversion on the shop floor, we've done it.

*Political Campaigns--We helped elect a Santa Monica city council that makes developers build low-income housing for the people they displace. We've helped Sell the Nuke & Beat the Moral Majority right here in Austin.

*Community Organizing--We've helped build citizens groups that won lifeline utility rates, rent control and curbs on police brutality. More importantly, those folks have shown us & themselves--you can fight city hall and the powers that be, and win.

*Empowering Women--We do it through collective work like ERA Countdown and reproductive rights, study groups and developing leadership skills. Half of DSAs leaders are women. Right now. At all levels.

There is an alternative. You can help make it. Join DSA.

___Enclosed is $30 for a one-year membership in DSA. Call me. (Low income:$10.)

___I can't join now, but here's $5 for a year subscription to DSA's newspaper.

GROUND ZERO WEEK APRIL 18-25

Ground Zero Week is a national educational campaign to inform people about the dangers of nuclear war. Once people understand that there is no way to return to "business as usual" after a nuclear war, they will not be as likely to accept the present policies which are bringing us closer to the holocaust. The following is a schedule of events which have been scheduled locally for Ground Zero Week:

April 18, Sunday. Ground Zero Marker Placing Ceremony, 1:00 P.M. State Capitol, South Lawn. Austin Mayor Carol Mc Clellan will place the marker.

April 19-23, Monday-Friday. Silent vigil for peace from 11 A.M.-1 P.M. daily at Wooldridge Park.

April 20, Tuesday. Physicians and Scientists for Nuclear Disarmament meeting at 7:30 P.M. at St. Edwards University. Please call 444-2621 for the room number.

April 21, Wednesday. Monthly meeting of the Austin Area Conference of Churches. Rev. George Ricker will speak on "Peace and Nuclear Disarmament" at noon at the Shettles United Methodist Church. Call 453-2715 for luncheon reservations.

April 22, Thursday. Teach-In at the University of Texas Union Building, 1:00-6:00 P.M., sponsored by Educators for Social Responsibility.

April 22, Thursday. "War Without Winners" a FREE film will be shown at 7:30 P.M. in the third floor auditorium of the Austin Public Library, 9th and Guadelupe, sponsored by the Texas Mobilization for Survival.

April 23, Friday, "Thinking Twice about Nuclear War" narrated by Mike Farrell of TV's M.A.S.H., will be shown on KLRN/U, channels 9 and 18, at 11 P.M.

April 25, Sunday. Removal of the Ground Zero marker from the South Lawn of the State Capitol, 1 P.M.
