Sissy,

If you feel comfortable with this statement, just sign it and leave it at the desk at the hotel. I'll pick it up Sunday or Monday and get it to CUDIP and send you a copy. If you want to make changes in it, then take it with you and mail the original to CUDIP with a copy to us.

Ed said you would be going through New York and meeting with Matteo. If you could please take Rosemary's and Elizabeth's statements and leave them with Matteo, he can get them to Elizabeth. Rosemary will be seeing Elizabeth on her trip home and can get her copy then.

Thank you for all of your help with everything, and I look forward to seeing you again soon. Have a good flight, and a good rest when you get home!

Peace,

Martha Robson
