Dear Cissy,

I really did enjoy meeting and talking with you in Minneapolis. Things seem to be happening so fast and furiously that it's hard to keep up, isn't it?

Enclosed is what we have on the Seneca Encampment--national and Mpls. It looks as if we will have 2 buses + many cars going from here. JOIN US! I think our group promises to be the largest--so far--and the most ACTIVE so far. We have members here and there out East who will be joining us also.

2 of our members just attended the CBI (Caribbean Basin Initiative) meeting in Washington. Just had a letter -- so awful what is going on--you just don't know what hole to plug next.

Did you hear the news about 36 of the 150 arrested at Honeywell Hdqtrs. here were found Not Guilty by a jury? We are all elated! I was in a group of 27 who pleaded guilty to trespassing and the judge put the sentencing over until fall. There are still about 100 left to be tried--all pleading Not Guilty. Very interesting.

I have not heard yet about the idea I had about the boat going into Comiso. Those are the two women off East at the moment. Hopefully they will look into it in New York. If they would build a place there, as suggested by Ed Grace' group we will consider "twinning" w/ Comiso. Since so many women are going to Greenham Common (2 of our members are there now) that I feel we need to do something about Comiso. Some woman from Comiso, Marina (?) has asked that we "twin" with them.

Please excuse this disconnected and badly typed letter. As you can see I'm not a real typist--but I try.

Best wishes,

Marianne Hamilton
