Dear Mrs. Farenthold,

Many thanks for sparing time to write me. I still have a recollection of your visit to Zimbabwe, and how time flies, soon it is months past. I am sorry there was not enough time for me to show you some of our projects. Perhaps you will visit again.

The only group in U.S.A. contributing to our project is Material Aid Campaign for ZANU (PF) Women's League. We shall welcome all progressive groups who would want to support our work.

With season's greetings.

Sincerely yours,

*S.F. Mugabe*
