Dear Wise Women:

Enclosed is the written product of our efforts. Please criticize, praise, demolish or revise it as you see fit, and do so as soon as possible.

Marilyn is preparing a graphic war words -- peace vision to use also at the Peace Center in Nairobi and I'll send you a copy when it's ready.

The meeting ended early since so many of us had to leave. We asked Barbara, Holly, and Lydia, (who were scheduled to arrive at the conference after we exercised the women's prerogative and disbanded), to provide their input by mail.

This letter is being sent to all of you. When I receive your comments, I'll make the necessary changes and send the statement out to you and to a wider group to prepare it for use at Nairobi.

Let me say how much I enjoyed being with you all. I think our meeting was a great success.

For a land of sisterly love,

*Gene*
