

Dear Professor Tigar,

This note is to let you know how grateful I am that you chose to return to Duke to teach Evidence; to tell you how much I enjoyed your class. You are a great teacher; there were many days when I felt like applauding at the end of your lecture. And I was not the only one! Although I feel like I learned a great deal of evidence, I also learned much about what it means to be a lawyer. Thank you!

Sincerely,

Katie Eitner

P.S. Last fall I received a signed copy of your book, Nine Principles of Litigation: Life from my writing professor. I have been enjoying it since my finals ended!
