Dear Michael:

Enclosed is a check in the amount of \$100,000.00 covering your share of the Letelier fee. Words cannot communicate what it has meant to work with you on this case. While the case and the results stand as the high point of my legal career, it pales in contrast to the feelings I have for having worked with you.

You taught me much of what I know about being a lawyer, and everything I know about being a partner. Thanks for standing with me all these years.

Yours truly,

Samuel J. Buffone
