Mr. Michael Tigar
120-7th Street S. E.
Washington, D. C.

Dear Mr. Tigar:

I was very sorry to learn upon returning to the office from two weeks in Europe that you had lost your clerkship with the Supreme Court. While it probably need not be said, I want to assure you that we still are most anxious to have an opportunity to meet with you and for you to give a hard look at the possibility of coming to work for our firm.

I therefore want to repeat what I said during our telephone conversation and assure you that we would like to have you fly out to California at our expense anytime you find an available moment over the next several months.

I sincerely hope that you will find an opportunity to visit us. Please let me hear from you at your convenience.

Very truly yours,

GANG, TYRE, RUDIN & BROWN
