GENERAL INFORMATION

The UT Law Loan Repayment Assistant Program (LRAP) provides financial assistance to graduating students with educational debt who enter qualifying public service, beginning with the Class of 2008. The LRAP provides program participants with funds semi-annually in the form of one or a series of forgivable loans. Participants must use these funds to make payments toward their outstanding law school educational loans.

Participants must remain in qualifying employment and meet the other program requirements for the six-month period covered by the LRAP loan. LRAP loans will be forgiven on a semi-annual basis. Participants are required to sign a Promissory Note prior to receiving LRAP funds, setting forth their obligations to repay program loans that are not subsequently forgiven.

You must apply within two years of graduation, or within three years of graduation if you accepted a judicial clerkship or a public interest fellowship immediately following graduation.

Please submit the application below and clearly label all supporting documentation. Applications will be not processed until all required documents are received. You are encouraged to notify The University of Texas School of Law, Office of Financial Aid – LRAP, if you are not able to provide a complete application by the appropriate deadline.

DEADLINES

Applications to receive LRAP loans are accepted and processed twice per year. For the period January 1 – June 30, applications will be due by the end of business on the third Monday of November. For the period July 1 – December 31, applications will be due by the end of business on the first Monday of June.
